

Dear BB Captains and Officers,

THE BOYS' BRIGADE IN SINGAPORE 80TH ANNIVERSARY YOUTH LEADERSHIP CONFERENCE-“*Destined to Change the World*”

As part of our 80th Anniversary celebration, The Boys' Brigade in Singapore will be organizing our first Youth Leadership Conference in June this year at the National University of Singapore.

We believe that youths today are poised to embrace and lead changes as they develop a better appreciation of global concerns and issues. They are change makers who can lead others to develop solutions and participate in meaningful projects to bring about a better world.

We have entered into a partnership with the National University of Singapore Centre for Social Entrepreneurship and Philanthropy (NUS CSEP) to jointly organize this 3 days 2 nights conference. During the course of the conference, Boys will be exposed to the works of various voluntary organizations in Singapore. Partnering us are World Vision, ACRES, SATA, Citycare and etc. to discuss on issues of great concern to our changing world. These organizations will address topics such as the welfare of endangered animals, the environment, the sick and needy, to the relief work done after the earthquake in Haiti. Through exposure and interaction with these organizations, we hope that the participants will broaden their horizon and will be inspired to be change makers in their areas of interest.

To get the participants started on their quest to become change-makers, they will be trained and equipped to build a project to promote the cause of their selected voluntary organization. Experienced trainers have been engaged to guide participants to build their simple dreams into actual deliverables. All these will be done on an online portal exclusive to this event!

Participants will be invited to join the optional tour conducted on **18 June 2010**. Venues included in the tour package are Resorts World Sentosa, Singapore Discovery Center and the Singapore Flyer.

**Venues are subjected to availability.*

The Boys' Brigade in Singapore would like to specially invite the rest of the BB in Asia for this Youth Leadership Conference. The details of the conference are as follow:

Date: 18, 19 and 20 June 2010
Venue: The National University of Singapore
Registration fee: \$60.00 (excludes optional tour on 18 June)
Age group: 15 to 19 years old (BB Youths)

** Officers are welcome to company their Boys / Girls for this conference; do note that the ratio is capped at 1 BB Officer to 10 BB Youths*

Registration for the conference starts on **Friday 05 March 2010** and closes on **Friday 16 April 2010**. We will send another email on details for registration. Please feel free to call me at 6737 0377 ext 125 or via email at grace_cheong@bb.org.sg for clarifications and more details. We look forward to your enthusiastic participation!

Best regards
